ORDINANCE AUTHORIZING THE CITY ATTORNEY'S OFFICE TO SETTLE FIRST MARKET CO. ET AL. V. CITY AND COUNTY OF SAN FRANCISCO, ET AL. (SUPERIOR COURT ACTION NO. 766-875) AND RELATED ACTION.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The Board of Supervisors hereby finds that:

A. On or about November 20, 1969, the City Planning Commission approved preliminary development concepts for the construction of an office building located at 525 Market Street, San Francisco; the concepts approved by the City Planning Commission included the granted of allowable bonuses floor areas for inclusion of a special entrance and tunnel connecting said building with the mezzanine of BART's Montgomery Street Station and for inclusion of an observation deck pursuant to Section 122.3 of the City Planning Code.

B. On or about February 19, 1971, the Planning Commission adopted Resolution No. 6734 approving a building permit application for the 525 Market building with conditions; one of the conditions required the construction of said tunnel to the Montgomery Street Station no later than sixty (60) days following the start of underground operation of Municipal Railway cars adjacent to the subject site and the provision of an observation deck accessible to the general public; said approval also granted approximately 91,000 square feet of bonus floor area for the construction of said tunnel.

C. In December, 1971, the Board of Supervisors adopted Resolution No. 726-71, which granted the developer a revocable permit to occupy a portion of the sub-surface street area of Market Street for the purpose of providing a sub-surface connection to BART; said Board Resolution further modified the Commission Resolution to provide that the construction of said subsurface connection shall begin no later than sixty (60) days after the removal of Municipal Railway tracks on Market Street adjacent to the subject property and in coordination with the Market Street Reconstruction Program;

D. The developer, City and BART entered into a number of collateral agreements which provides that:

a. Construction for said tunnel would begin on or about January 2, 1972, and would be completed by September 1, 1972.

b. In the event of a delay, removal of the tracks and construction of said tunnel would be completed no later than sometime in 1974;

c. The cost of the construction would be borne solely by First Market Co.

E. Due to delay in completion of the Muni-Metro system, the Municipal Railway street cars did not begin operation until the summer of 1981.

F. During 1981, various public officials, including members of the Board of Supervisors, expressed a desire, during public meetings, to retain the Market Street car tracks and to run historical cars thereon;

G. The City and County of San Francisco has not determined when said tracks will be removed;

H. On or about May 15, 1980, First Market Co. filed a complaint against the City seeking declaratory relief from the construction of said subsurface connection to BART due to extended delay in removal of the surface tracks, or, in the alternative, seeking the City to pay for the difference between the estimated construction costs in 1974 and the actual construction costs;

I. The City Attorney's Office, on February 18, 1981, filed a cross-complaint alleging violations of the Planning Code;

Section 2. The Board of Supervisors hereby authorizes the settlement of First Market Co., Inc., et al. v. City and County of San Francisco, et al. (San Francisco Superior Court No. 766-875) and related actions pursuant to the terms set forth in the settlement agreement attached hereto as Appendix A; and

Section 3. The President of the Board of Supervisors and the Mayor are hereby authorized to exercise said settlement agreement; and

Section 4. The City Attorney is hereby authorized to execute all documents necessary to dismiss the above-referenced action and related actions; and

Section 5. The proceeds from this settlement agreement shall be used toward transit and pedestrian related purposes to be determined by this Board later.

ORDINANCE NO. 227-83

(Controller RO #)

[Government Funding]

APPROPRIATING $292,000 FOR PROGRAM PROJECT (AID TO HOMELESS), DEPARTMENT OF SOCIAL SERVICES, FOR FISCAL YEAR 1982-83; AN EMERGENCY ORDINANCE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Funds are hereby appropriated for fiscal year 1982-83 as follows:

DEPARTMENT AND NUMBER	SOURCE OF FUNDS AND PURPOSE OF APPROPRIATION	AMOUNT DEBIT	AMOUNT CREDIT
01-001	General Fund		
G.L.315(000026)	Emergency Reserve (Unemployment Relief)	$292,000	
45-00-00	Department of Social Services		
1269(648915)	Other Contractual Services		
Proj.	Aid to Homeless		$292,000

Section 2. This ordinance is passed as an emergency measure pursuant to San Francisco Charter Section 2.301 and the Board of Supervisors does hereby declare by the vote by which this ordinance is passed that an actual emergency exists and that this ordinance is made effective forthwith, the nature of the emergency being the preservation of public health, welfare and safety.

Current economic conditions have rendered many people homeless. Recent, unprecedented influx of homeless people to San Francisco has outstripped the capacity of regular public and private facilities and resources devoted to the care of the homeless. The continued presence on the streets of the City and County of San Francisco of these homeless persons endangers the public health, welfare and safety in that many of them seek shelter in inappropriate facilities and structures. This poses a danger to the homeless, as well as fire and public health hazards. In addition, the lack of housing for these people, especially in the winter poses a serious health hazard. Funds are needed immediately to provide them housing so as to eliminate the aforementioned fire and health hazards.

4/27/83 ah

Section 3. Expenditure and commitment of these funds, along with any private funds, are limited to $175,000 per month. ~~Prior to any of these city funds being expended, the private funds in the Mayor's Fund for the Homeless which are not restricted for a special purpose shall be expended.~~ The Controller and the Department of Social Services shall submit monthly reports detailing the disbursements and obligations incurred from this fund to the Mayor and the Board of Supervisors.

Section 4. The Controller is authorized to adjust expenditures funded out of General Assistance for the purposes set forth in the declaration of emergency dated January 4, 1983 by the Social Services Commission which pertained to the homeless.

4/27/83 ah

Section 5. The cost of shelter provided under this ordinance shall not exceed $6.00 per person per night, and the exact amount shall be reflected in individual contracts with non-profit providers, subject to review by the Controller.

Section 2. This ordinance is passed as an emergency measure pursuant to Charter Section 2.301 and the Board of Supervisors does hereby declare by the vote by which this ordinance is passed that an actual emergency exists and that this ordinance be made effective forthwith, the nature of the emergency being to provide for the uninterrupted operation of the office of the Registrar of Voters.

The funds appropriated for the Registrar of Voters in the annual appropriation ordinance and subsequent supplemental appropriations are insufficient to provide for the conduct of the special election to be held in the City and County of San Francisco in mid-June to elect the successor to Congressman Phillip Burton. Materials and supplies for that election must be available for the start of absentee balloting in mid-May. Lead time for such materials and supplies is six to eight weeks. Temporary employees must be continued on the payroll to handle the election-related workload. Funds previously appropriated for the Department are insufficient to provide for the continued operation of the Department at the level necessary to meet deadlines for the June special election. Accordingly, the passage of this emergency ordinance is absolutely essential to fund the Registrar of Voters in order to meet the deadlines for the June special election.

Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one year required service. Further increments shall accrue following completion of the required service at this step and at each successive step.

SEC. XI.C. Date Increment Due. Increments shall accrue and become due and payable on the next day following completion of required service as a permanent employee in the class, unless otherwise provided herein.

SEC. XI.D. Schedule of Salary Increments. The schedule of seniority increments as set forth at the end of Section XIV is hereby made a part of the schedules of compensation.

SEC. XI.E. Exceptions. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date, provided that time spent on approved military leave or in an appointive or

promotive position shall be counted as actual service when calculating salary increment due dates.

If, during fiscal year 1980-81, records of service required for advancement in the step increments within a compensation schedule are established and maintained by electronic data processing, then the following shall apply:

An employee certified to permanent appointment or appointed to a permanent position exempt from civil service shall be compensated under such appointment at the beginning step of the compensation schedule plan, unless otherwise specifically provided for in the salary standardization ordinance. Employees under permanent civil service appointment shall receive salary adjustments through the steps of the compensation schedule plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.

Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.

Advancement through the increment steps of the compensation schedules shall accrue and become due and payable on the next day following completion of required service as a permanent appointee in the class, provided that the above procedure for advancement to the compensation schedule increment steps is modified as follows:

SEC. XI.E.1. An employee who during that portion of his/her anniversary year prior to January 1, 1980, is absent without pay for a period of less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during calendar year 1981.

SEC. XI.E.2. An employee who during that portion of his/her

anniversary year prior to January 1, 1980, is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service prior to January 1, 1981.

Said election of option shall be made by signing and filing with the retirement board a notarized election of option on a form provided by the retirement board; provided, however, that if a retired person shall die before the first payment on account of his retirement allowance is made, such election of option shall be considered void and of no effect and his death shall be considered as that of a member before retirement, unless:

(a) such retired person has elected Option 2 or 3; or

(b) such person was retired on or after April 1, 1966 as a member under section 8.507 or 8.509 of the charter, such person has elected Option 1 and an allowance as provided in subsection (d) of section 16.80 of this code is otherwise payable upon his death. (Amended Ord. 159-68; app. 6/26/68.)

Sec. 16.79. Beneficiaries

"Beneficiary" means any person, except a corporation, designated by a member, or a retired member, to receive a benefit payable on account of the death of a member or a retired member. If there is no effective beneficiary designation the benefit shall be paid to the estate of the member.

Sec. 16.80. Death Benefits.

(a) Death in performance of duty. Upon the death of any person who is a member under section 8.540 or 8.565 of the charter, if such death shall result from his performance of duty as prescribed in such sections, respectively, or if such death in the case of members under section 8.565 of the charter shall occur after qualification for service retirement, there shall be paid to the widow, children or parents of such member, the benefits provided in such sections, for members at January 8, 1932, of the police and fire departments, upon death resulting from the performance of duty and upon death occurring after qualification for service retirement. If such death after

qualification for service retirement shall not result from the performance of duty and if there be no surviving wife, children or parents to whom benefits are payable under this subsection, the benefits provided in the next following subsection shall be paid to the beneficiary nominated by him as prescribed therein.

(b) Death not in performance of duty. Upon the death before retirement, if such death be not included under subsection (a) of this section, of a member while in the city service, or within four months after the discontinuance of city service, or while physically or mentally incapacitated for performance of his duty, if such incapacity has been continuous from discontinuance of city service, the retirement system shall be liable for a death benefit, which, if an amount be due under paragraph (3) of this subsection, and if there be a surviving wife or surviving children, shall be paid in monthly installments and to the surviving wife and children as prescribed therein; otherwise, such death benefit shall be paid to his estate, or to such person as he has nominated or shall nominate by written designation duly executed and filed with the retirement board, and such death benefit shall consist of:

/ / /

(1) His accumulated contributions, and in addition thereto.

(2) An amount equal to the compensation earnable by him during the six months immediately preceding his death, but with respect only to members who affirmatively exercise the option provided in section 16.31 of this code, such compensation earnable for any month shall not exceed nine hundred dollars, and if such member be a member under sectin 8.543 or 8.567 of the charter, and if such death, in

the opinion of the retirement board, be the result of bodily injury, sustained while in the performance of duty, in addition thereto.

(3) An amount sufficient, when added to the amounts provided in the next preceding paragraphs (1) and (2), to provide, when applied according to mortality tables adopted by the board, a monthly death benefit allowing equal to one-half of the monthly compensation earnable by such member during the ten years immediately preceding his death, to be paid to the surviving wife to whom such member was married prior to sustaining the injury, to continue as long as she shall live or until her remarriage; or, if there be no widow, or if the widow die before any child of such deceased member shall have attained the age of sixteen years, then to his child or children under such age collectively, to continue until every such child dies or attains such age. If payment of the allowance be stopped because of remarriage of the widow or attainment of the age of sixteen years by a child, before the sum of monthly payment made shall equal the sum of the amounts provided in the next preceding paragraphs (1) and (2), then an amount equal to the difference between such sums shall be paid in one amount to the remarried widow; or, if there be no widow to the surviving children of the deceased member, to share and share alike.

(c) Designation of beneficiary. A member, or a beneficiary after the death of a member, may elect, by written designation duly executed and filed with the retirement board, to have the death benefit provided in this section paid in monthly or annual installments instead of in one lump sum, subject to

such rules and regulations as the board may adopt.

(d) Death after retirement. Upon the death of any person, except persons referred to in sections 8.542 and 8.566 of the charter, after retirement and while receiving a retirement allowance from the retirement system, there shall be paid to his estate or to such person as he shall have nominated by written designation duly executed and filed with the retirement board, the sum of one hundred dollars for each completed year of city service credited to him at the time of his retirement, but the total amount paid shall not exceed fifteen hundred dollars ($1,500); provided, that the sum so paid upon the death of a person who was receiving a retirement allowance under the San Francisco city and county employees' retirement system on January 8, 1932, or of a person who became a member of the retirement system by reason of his status as an employee of the public utility acquired by the city shall be not less than five hundred dollars, regardless of the city service credited. If such deceased person was retired as a member under section 8.507 or 8.509 of the charter and his retirement was first effective on or after April 1, 1966, an allowance shall be paid to his widow, until her death or remarriage, equal to one-half of his retirement allowance as it was prior to optional modification and prior to reduction as provided in subsection (A) of charter section 8.514, but exclusive of the part of such allowance which was provided by additional contributions. No allowance, however, shall be paid under this section to a widow unless she was married to the member (i) at least one year prior to the member's death if she married said member prior to his retirement, or (ii) at least two years prior to the member's death if she married said member after his retirement. If he leaves no such widow, or

if she should die or remarry before every child of such deceased retired person attains the age of eighteen years, then the allowance which such widow would have received had she lived and not remarried shall be paid to his child or children under said age, collectively, to continue until every such child dies or attains said age, provided that no child shall receive any allowance after marrying or attaining the age of eighteen years. If the member, at retirement, has no wife who upon his death would qualify as a widow to receive the allowance provided in this subsection, he may elect an option, as provided under section 16.75 of this code, with respect to all of his allowance; but if at his retirement he has such a wife, he may elect such option only with respect to that part of his retirement allowance, prior to reduction as provided in charter section 8.514, which is in excess of the allowance which would be paid to his widow under this paragraph. The funds for payments under this paragraph shall be derived:

(1) With respect to persons retired as members under charter sections 8.509, 8.544 and 8.568 from reserves held by the retirement system on account of member under such sections, respectively, and

(2) With respect to persons retired as members under charter sections 8.507, 8.543, and 8.567 from the accumulated contributions of the city held to meet the obligation of the city on account of benefits that have been granted and on account of prior service of members. Upon the death of any person after retirement and while receiving a pension under section 8.542 or 8.566 of the charter, as a retired member of the police or fire department, there shall be paid to his estate or to such

person as he shall have nominated by written designation duly executed and filed with the retirement board, the sum of fifteen hundred dollars. The death benefits provided in this paragraph with respect to person retired under charter sections 8.542 or 8.565, shall be funded by contributions to the retirement system by the city which shall not be less in any fiscal year than the amount of such benefits paid during said year.

(e) Revocation of nomination of beneficiary. A person, while a member or after retirement, shall have the right to revoke the nomination of a beneficiary made by him under the retirement system, and to nominate a beneficiary in lieu thereof, all by written designation duly executed and filed with the retirement board; provided, that this right shall not extend to beneficiaries nominated under options 2 and 3 of section 16.75 of this code, nor shall it extend to dependents designated as beneficiaries by state law, the charter or this article, to receive benefits payable on account of death or disability incurred in the performance of duty.

Section 2. This ordinance does not and shall not give any person any claim against the city and county for an increase in any death benefit paid or payable on account of the death, prior to the effective date of this ordinance, of a person after retirement and while receiving a retirement allowance under the retirement system.

(Health Regulations)

AMENDING PART II, CHAPTER V, OF THE SAN FRANCISCO MUNICIPAL CODE (HEALTH CODE) BY ADDING ARTICLE 19 THERETO, REGULATING SMOKING IN THE OFFICE WORKPLACE

NOTE: The entire article is new.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter V, of the San Francisco Municipal Code (Health Code) is hereby amended by adding Article 19 thereto, reading as follows:

ARTICLE 19

SMOKING POLLUTION CONTROL

Sec. 1000	Title
Sec. 1001	Purpose
Sec. 1002	Definitions
Sec. 1003	Regulation of Smoking in the Office Workplace
Sec. 1004	Where Smoking Not Regulated
Sec. 1005	Penalties and Enforcement

Sec. 1000. Title. This Article shall be known as the Smoking Pollution Control Ordinance.

Sec. 1001. Purpose. Because the smoking of tobacco or any other weed or plant is a danger to health and is a cause of material annoyance and discomfort to those who are present in confined places, the Board of Supervisors hereby declares that the purposes of this article are (1) to protect the public health and welfare by regulating smoking in the office workplace and

(2) to minimize the toxic effects of smoking in the office workplace by requiring an employer to adopt a policy that will accommodate, insofar as possible, the preferences of nonsmokers and smokers and, if a satisfactory accommodation cannot be reached, to prohibit smoking in the office workplace.

This ordinance is not intended to create any right to smoke or to impair or alter an employer's prerogative to prohibit smoking in the workplace. Rather, if an employer allows employees to smoke in the workplace, then this ordinance requires (1) that the employer make accommodations for the preferences of both nonsmoking and smoking employees, and (2) if a satisfactory accommodation to all affected nonsmoking employees cannot be reached, that the employer prohibit smoking in the office workplace.

Sec. 1002. Definitions. For the purposes of this Article:

(1) "City" means the City and County of San Francisco;

(2) "Board of Supervisors" means the Board of Supervisors of the City and County of San Francisco;

(3) "Person" means any individual person, firm, partnership, association, corporation, company, organization, or legal entity of any kind;

(4) "Employer" means any person who employs the services of an individual person;

(5) "Employee" means any person who is employed by any employer in consideration for direct or indirect monetary wages or profit;

DOCUMENTS DEPT.
JUN 30 1983
SAN FRANCISCO PUBLIC LIBRARY

(6) "Office Workplace" means any enclosed area of a structure or portion thereof intended for occupancy by business entities which will provide primarily clerical, professional or business services of the business entity, or which will provide primarily clerical, professional or business services to other business entities or to the public, at that location. Office workplace includes, but is not limited to, office spaces in office buildings, medical office waiting rooms, libraries, museums, hospitals and nursing homes;

(7) "Smoking" or "to smoke" means and includes inhaling, exhaling, burning or carrying any lighted smoking equipment for tobacco or any other weed or plant; and

(8) "Enclosed" means closed in by a roof and four walls with appropriate openings for ingress and egress and is not intended to mean areas commonly described as public lobbies.

Sec. 1003. Regulation of Smoking in the Office Workplace.

(1) Each employer who operates an office or offices in the city shall within three (3) months of adoption of this ordinance, adopt, implement and maintain a written Smoking Policy which shall contain, at a minimum, the following provisions and requirements:

(a) Any nonsmoking employee may object to his or her employer about smoke in his or her workplace. Using already available means of ventilation or separation or partition of office space, the employer shall attempt to reach a reasonable accommodation, insofar as possible, between the preferences of

nonsmoking and smoking employees. However, an employer is not required by this ordinance to make any expenditures or structural changes to accommodate the preferences of nonsmoking or smoking employees.

(b) If an accommodation which is satisfactory to all affected nonsmoking employees cannot be reached in any given office workplace, the preferences of nonsmoking employees shall prevail and the employer shall prohibit smoking in that office workplace. Where the employer prohibits smoking in an office workplace, the area in which smoking is prohibited shall be clearly marked with signs.

(2) The Smoking Policy shall be announced within three (3) weeks of adoption to all employees working in office workplaces in the city and posted conspicuously in all workplaces under the employer's jurisdiction.

Sec. 1004. Where Smoking Not Regulated.

This Article is not intended to regulate smoking in the following places and under the following conditions within the city:

(1) A private home which may serve as an office workplace;

(2) Any property owned or leased by state or federal governmental entities;

(3) Any office space leased or rented by a sole independent contractor;

(4) A private enclosed office workplace occupied exclusively by smokers, even though such an office workplace may

be visited by nonsmokers, excepting places in which smoking is prohibited by the fire marshal or by other law, ordinance or regulation; and

Sec. 1005. Penalties and Enforcement.

(1) The Director of Public Health shall enforce Section 1003 hereof against violations by either of the following actions:

(a) Serving notice requiring the correction of any violation of this Article;

(b) Calling upon the City Attorney to maintain an action for injunction to enforce the provisions of this Article, to cause the correction of any such violation, and for assessment and recovery of a civil penalty for such violation;

5/6/83
HAJ

(2) Any employer who violates Section 1003 hereof may be liable for a civil penalty, not to exceed $500 ~~$100 for each employee whose rights are violated~~, which penalty shall be assessed and recovered in a civil action brought in the name of the People of the City and County of San Francisco in any court of competent jurisdiction. Each day such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such. Any penalty assessed and recovered in an action brought pursuant to this paragraph shall be paid to the Treasurer of the City and County of San Francisco.

(3) In undertaking the enforcement of this ordinance, the City and County of San Francisco is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach

of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Section 1. The San Francisco Administrative Code is hereby amended by adding Chapter 49 thereto reading as follows:

CHAPTER 49
SECURITY DEPOSITS FOR
RESIDENTIAL RENTAL PROPERTY

Sec. 49.1. Security deposit for residential rental property defined. As provided in Section 1950.5 of the California Civil Code, a security deposit is any payment, fee, deposit or charge including, but not limited to, any of the following: (1) the compensation of a landlord for a tenant's default in the payment of rent; (2) the repair of damages to the premises caused by the tenant; (3) the cleaning of the premises upon termination of the tenancy.

Sec. 49.2. Payment of interest on security deposits.

(a) A landlord who is subject to the provisions of Section 1950.5 of the California Civil Code shall pay at least 5% simple interest per year on all security deposits ~~over $200~~ held for at least one year for his/her tenants; provided, however,

that this requirement shall not apply where the rent is assisted or subsidized by any government unit, agency or authority.

(b) Interest shall begin accruing on September 1, 1983, or on whatever date the security deposit is received by the landlord after September 1, 1983. Beginning on September 1, 1984, or on any date thereafter upon which the security deposit has been held by the landlord for one year, a tenant shall be given the unpaid accrued interest in the form of either a direct payment or a credit against the tenant's rent. The landlord shall choose between these two methods of payment.

(c) The landlord may elect to pay the accrued interest as provided in subsection (b) above on a monthly basis, but in no event less than once a year.

(d) Upon termination of tenancy, a tenant whose security deposit has been held for one year or more shall be entitled to a direct payment of any unpaid accrued interest no later than two weeks after the tenant has vacated the premises; provided, however, that a landlord may retain any portion of the unpaid accrued interest, subject to the limitations and requirements set forth in Section 1950.5(e) of the California Civil Code, where the security deposit alone is insufficient to remedy tenant default in the payment of rent, to repair damages to the premises caused by the tenant, exclusive of ordinary wear and tear, or to clean such premises, if necessary, upon termination of the tenancy.
